# A Few Words from the Chairman.....

**D**AVPS is a Co-Ed school situated in Anjar and proposed with Central Board Of Secondary Education. The school is established and managed by Arya Samaj of Gandhidham. Personifying excellence through more than a decade, O.M. D.A.V. Public School Anjar is another branch of D.A.V. Public School Gandhidham which has been established in the field of education serving since 2009 aiming to bring a change in the contemporary society through its sincere efforts and same vision is been served by O.M. D.A.V. Public School- Anjar. The school provides complete grooming from **Nursery to Grade VII** and is emerging as a prototype of unique characters and features.

We are thrilled to share that we have successfully opened another branch named O.M. D.A.V. Public School- Anjar and successfully completed one year.

We are a dedicated and hardworking school community who believe that children achieve well when taught within a positive atmosphere where each individual is **valued and nurtured**. Providing the best education through continued school improvement is at the heart of all we do.

The curriculum at O.M. D.A.V. Public School - Anjar is tailored to meet the needs of today's learners and is sensitive to different learning styles. Grounding our roots to our traditions we daily perform **Hawan** to adhere students with their cultural values and practices.

As a leading institution, the school has been fulfilling all the needs of the day by being technologically empowered with time. Hence, we have achieved commendable success in providing the medium of communication through our application, installed a fleet of GPS buses to allow parents to keep a keen track on their wards.

I sign off with the persuasion that O.M. D.A.V. Public School- Anjar will be the preferred destination for aspiring learners and dedicated professionals of the education sector alike.

# FROM MANAGING DIRECTOR'S DESK

**Dear Parents,  
Namaste,**

We extend a very warm welcome with our prospectus, which gives you all a tour into O.M. D.A.V. Public School - Anjar located in western India. A serene campus provides students values, leadership quality, decision making ability, compassion, enthusiasm, discipline, acceptance to victory and defeat, etc. to provide 360° development of child.

Our psychological experts' team focus on the arena of the child's development where it is tough for parent to excel. Constant efforts are being put by the team to make the school learning friendly for students, through mental and spiritual upliftment. To evaluate factual understanding, conceptual understanding and global understanding of prescribed syllabus and designed curriculum, we have a separate Examination Cell, that strives to bring its best.

Scholarship and Discounts – We at O.M. DAVPS have strong desire to make attain the maximum level of Girl Child Education, with reference to that we have Girl Child's Discount and other scholarship programmes based on merit and eligibility criteria for students. 'Humanity before anything' with that will and enthusiasm we are the first in Anjar to start "Pehli Roti Gaay ki" Campaign. Also, emphasis is given to value based education like learning is simple and enjoyable, and most importantly, within the reach of students.

It is a Co-Educational full fledged English Medium school with classes from Nursery to VII, and is emerging as a prototype of unique characters and features.

## MANAGEMENT

The school is managed by the Arya Samaj, Gandhidham which stands as a progressive management team and is delivering education at its best. The directors belong to different walks of life and are determined to upgrade their dreams with many new and different innovative ideas for the betterment and upliftment of the school.

## OBJECTIVES OF THE SCHOOL

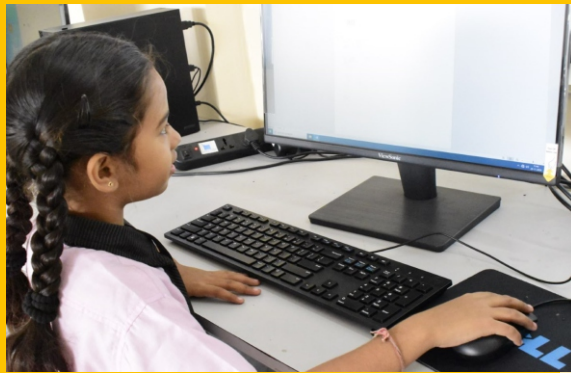

- ◆ To prepare the students for active day-to-day life situations.
- ◆ To develop basic mental abilities and skills to help students in decision making.
- ◆ To help in physical growth and proficiency in games.
- ◆ To help the students learn how to establish good human relationships and imbibe virtues for moral courage and social discipline thus growing in them leadership qualities.
- ◆ To acquire economic understanding and efficiency in the management of expenditure.

## A PROCESS OF ENLIGHTENMENT OF EVERY CHILD...

- ☑ O.M. D.A.V. emphasis on engaging better school environment for a child's development at each stage of their life.
- ☑ O.M. D.A.V. helps students to improve the skills needed for success in higher secondary school and face real life challenges in form of opportunities.
- ☑ O.M. D.A.V. sets extremely high standards of academics. There is an emphasis on learning by doing, especially in science, math and computing.
- ☑ We help children to develop the qualities of hard work, good manners and self-discipline. They come out as confident individuals with a growing sense of the social world around them.
- ☑ We take a holistic approach to promote the acquisition of 21st century skills:  
Critical Thinking, Communication, Collaboration, Creativity, Character, Citizenship

## LIBRARY

The school library is the hub of intellectual activities. In O.M. D.A.V. an e-library facility is available along with rich reading material with a collection of well-stocked books, periodicals, and reference books catering to the needs of students and teachers alike. Besides providing a compulsory period for the library, students are encouraged to utilize the facilities available in library during their free periods and holidays.

## SCIENCE LAB.

O.M. D.A.V. has an extensive science lab which provides an experimental foundation for the concepts introduced. Students enhance their learning by doing varied experiments which kindles their interest visually and kinesthetically. It also deviates them from rote learning & enriches their thinking ability & drawing skills. It enables the learners to familiarize themselves with experimental apparatus, scientific methods applied, and to make careful observation & draw conclusion in relation to the experiment.

## MATH LAB.

A well-equipped Math lab provides an opportunity for the students to discover Mathematics through doing. It's a place to enjoy & explore mathematical activities. It takes the students beyond curriculum & prepares them to possess the critical & analytical skills for mathematical interpretation. It provides greater scope for involvement of both mind and hand which facilitates cognition.

## SMART DIGITAL CLASSROOMS

In today's competitive world, children need the skills sets, which are beyond subject knowledge and require concentration assimilation and retention. In this regard the role of smart classes is quite important which are appealing to students & it makes learning enjoyable & help in improving them overall academic performance in school.

## EXAM CELL

Exams have an important role in the process of learning and to assess what the students have learnt with different subjects, Strengths and weaknesses can also be assessed through exams for that school has designed Examination cell. Standard Question Bank is prepared, Question papers quality are maintained. Syllabus/Date-sheets/ Time-Table are provided well in advance to students. Separate duties are prepared for Invigilator, Rechecking, Relievers. Everything goes systematic in Exam cell with proper planning, directions and supervision.

## COMPUTER LAB.

We have a well-designed computer lab for all classes which is run by a well-educated and qualified faculty, with one-on-one access, which means there is one computer for each child in practical exams. In modern fast moving world, where world is computer centered, it is of utmost importance to train students to become computer-friendly. And so, the school provides basic knowledge of computer from STD-1<sup>st</sup> onwards to students.

## SCHOOL APP

The school has introduced its own dedicated personalised application for the students. The App has enabled students and parents to stay informed on various activities such as tests, homework, notices, events, attendance, birthday, fee details, result, student's profile, syllabus, holiday list, time table, etc. It also comes with rich content of specific subject material prepared by our team of expertise teachers to deliver the best of digital education. Its ease of access makes it possible for our students to study anytime according to their schedule and clarify their doubts.

## TRANSPORT

The school provides safe & secure transport facility for the students & staff. The school has its own buses in which we have installed GPS for the safety purpose & it ply on pre-decided routes.

## CREATING A HAPPY AND HAPPENING SCHOOL

Attending school should not be a chore for a child but it should be a place where he/she loves to go every day. Schools have a major role to play in augmenting the happiness index of our future citizens after all, happiness is the meaning and purpose of life, the whole aim of human existence. O.M. D.A.V. Public School Anjar offers just the right blend of quality education while ensuring holistic development of the students. The school makes mighty efforts to cultivate a conducive environment that maximizes both development and delight among students through child-centred curriculum and activities, progressive and positive teacher attitudes and attributes, stress-free learning milieu, fosters friendships and relationships among school community, cross-cultural events, observes a 'no bag day' once a month and above all, values every child. All the abovesaid attributes of the school proudly makes O.M. D.A.V. to be the "HAPPY SCHOOL".

## YAGYASHALA (दैनिक यज्ञ)

The regular 'यज्ञ' conducted amidst the pious surroundings of the school premises not only pacify and calm the commotion surging in the hearts of the pupils, but also bequeaths the forgotten treasure of rich cultural legacy and traditions upon the foundation stones of future through soulful vedic incantations, and hymns. The 'Yajana' time brings and ties all the members of school together at one platform through the bonds of brotherhood and communal harmony.

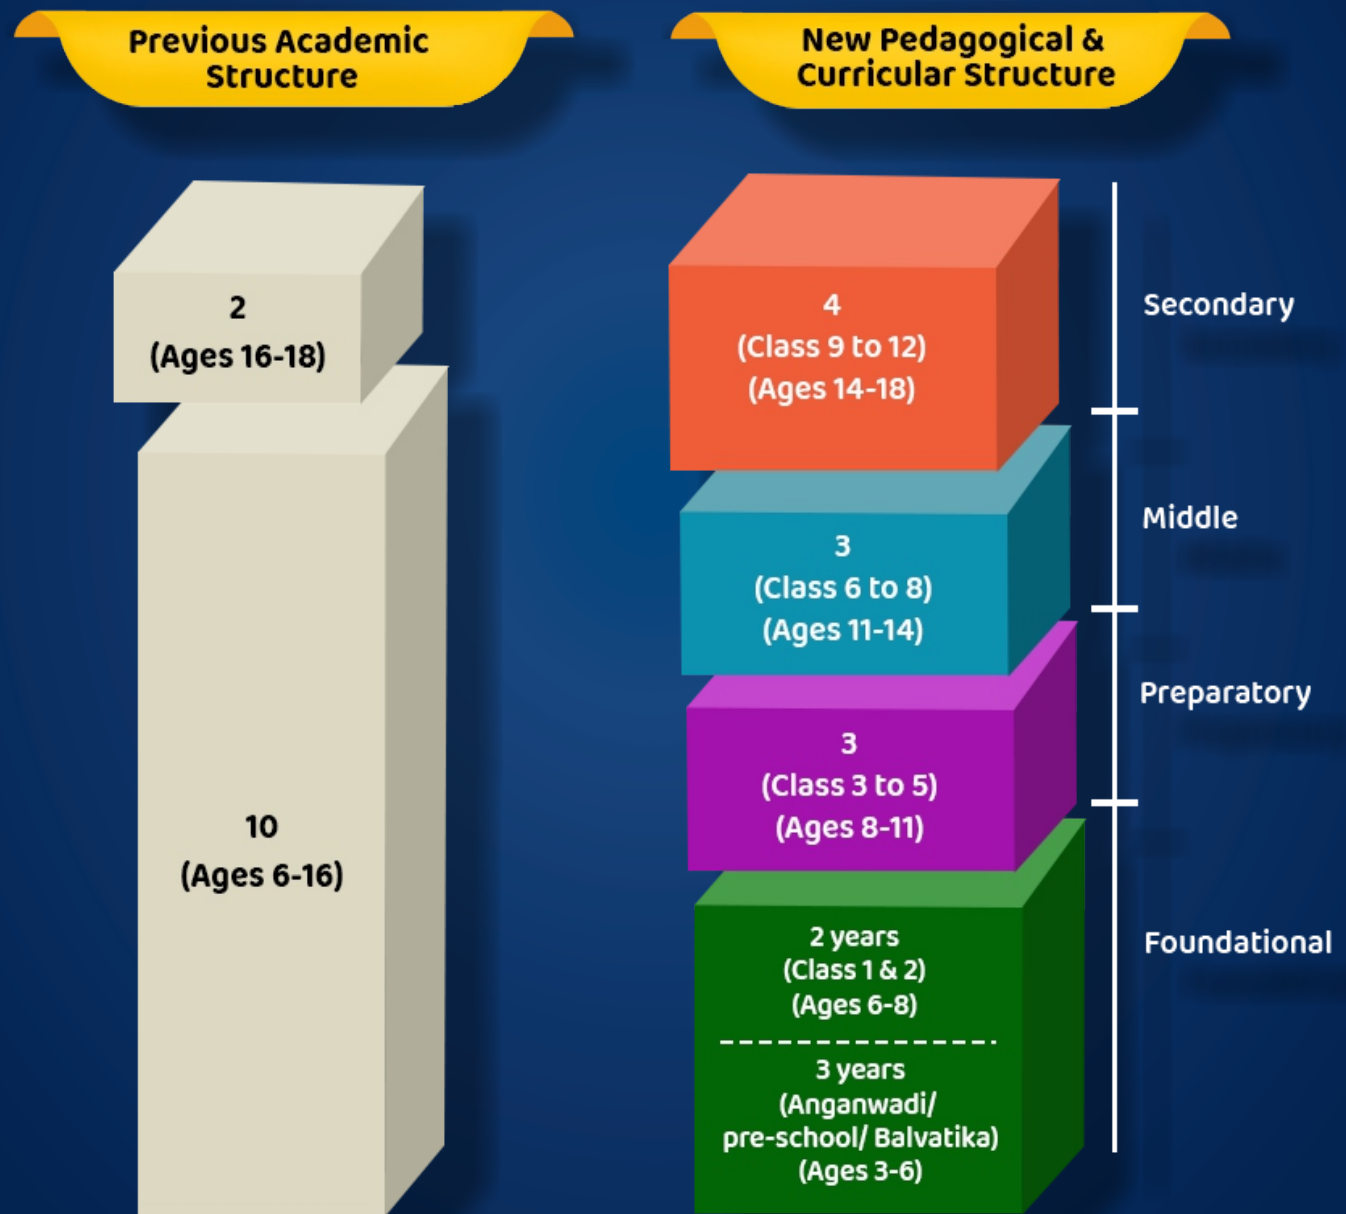

# पहली रोटी गाय की

Come let's reignite the **Vedic Values** in our lives..

O.M. D.A.V. Public School is the first and foremost school in Anjar to start a campaign called "Pehli Roti Gay ki." Under this campaign, students are being encouraged to bring homemade roti for the cows in the school so that the collected food can reach hundreds of cows in the gaushala. Students also have the opportunity to feed rotis to the cows under supervision and learn about the traditions associated with them.
